

include/devices/vbe.h

```
graph TD; A[include/devices/vbe.h] --> B[errors.h]; A --> C[lcom/lcf.h]; B --> C;
```

The diagram illustrates the include relationships between three header files. At the top is a gray box labeled 'include/devices/vbe.h'. Two blue arrows originate from its bottom edge: one points to a white box labeled 'errors.h' on the right, and the other points to a white box labeled 'lcom/lcf.h' at the bottom. A third blue arrow points from the 'errors.h' box to the 'lcom/lcf.h' box. The 'lcom/lcf.h' box has a light gray border.
