```
graph BT; A["include/game/controller<br>/game.h"] --> B["include/game/model<br>/game.h"]
```

The diagram consists of two rectangular boxes. The top box is shaded gray and contains the text 'include/game/model' followed by a line break and '/game.h'. The bottom box is white and contains the text 'include/game/controller' followed by a line break and '/game.h'. A blue arrow points vertically from the top of the bottom box to the bottom of the top box, indicating a dependency or include relationship from the controller to the model.
